Agreement for preparation of 2016 Partnership Income Tax Returns

This letter is to confirm and specify the terms of our engagement for the year ended December 31, 2016 and to clarify the nature and extent of the services we will provide. Also, by sending you this engagement letter we have assumed that you are the person responsible for the tax matters of the corporation. If this is not a correct assumption, please furnish us with the name of the tax matters person.

Our engagement will be designed to perform the following services:

1. Prepare the federal and state income tax returns with supporting schedules from information that you will provide to us.
2. Perform any bookkeeping we find necessary for the preparation of the income tax returns.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will make no audit or other verification of the data you submit, although we may need to ask you for clarification of some of the information. We will furnish you with questionnaires and/or worksheets to guide you in gathering the necessary information for us. Your use of such forms will assist us in keeping our fee to a minimum.

We will use our judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor wherever possible.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or circumstances of these penalties, please contact us. Because a partnership is an entity whose tax attributes flow through to its partners, the penalty for substantial understatement of tax relating to partnership items may be imposed at either the partnership or partner level.

Agreement for preparation of 2016 Partnership Income Tax Returns

Management is responsible for the proper recording of transactions in the books of accounts, for the safeguarding of assets, and for the substantial accuracy of the financial records. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign and file them.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Our charge for these services will be based upon the amount of time required at our standard billing rates, plus out-of-pocket expenses, subject to a minimum charge of \$695. If accounting services are required to prepare your tax returns, separate charges will apply. All invoices are due and payable upon presentation. A late charge of 1.5 % per month will be assessed on all past due amounts.

If the foregoing fairly sets forth your understanding, please sign this letter in the space indicated and return it to our office. However, if there are any additional returns you expect us to prepare, please note this at the end of the returned copy of this letter, just below your signature.

We want to express our appreciation for this opportunity to work with you.

Sincerely,

Larry K. Anderson, CPA
